Career Objective

Aspiring Computer Science Engineer specializing in Artificial Intelligence, with a strong foundation in programming, problem-solving, and project-based learning. Seeking opportunities to apply technical expertise in software development, AI, and emerging technologies while contributing positively to team success.

Professional Summary

- B.Tech (CSE–AI) student with a solid academic record and hands-on experience in software projects, game development, and AI applications.
- Completed a Java-based internship where I developed an E-Exam application with database integration and interactive UI.
- Participating in Smart India Hackathon 2025, showcasing teamwork, innovation, and real-world problem-solving skills.
- Demonstrated strengths in C, C++, Java, Python, and Web Technologies, with upcoming focus on Generative AI projects.
- Recognized for a positive and approachable attitude, strong leadership, and effective collaboration in both academic and volunteering domains.

Education

B.Tech in Computer Science & Engineering (AI), GL Bajaj Institute of Technology & Management — 2027

Diploma in Computer Science & Engineering, Teerthanker Mahaveer University — 2024 | CGPA: 8.6 | Served as CR

10th Standard, Swami Vivekananda H.R. School — 2021 | Percentage: 78.3% (COVID batch)

Technical Skills

Programming Languages: C, C++, Java, Python, C#

Core Subjects: Data Structures & Algorithms, Operating Systems, COA, DBMS (Basics)

Web & Tools: HTML, CSS, JavaScript, Godot Engine, Aseprite

Interpersonal Skills: Leadership, Teamwork, Emotional Intelligence, Responsibility, Time Management, Networking

Projects

- Online Voting Machine — C (Diploma)
- E-Exam Application — Java, SQL, AWT, Swing (Diploma)
- Aayudhm Game — Godot Engine (GDScript), Aseprite (Diploma)
- Wish Website — HTML, CSS, JavaScript (Diploma)
- Mock Buddy — Mock interview web app (HTML, CSS, JS) (B.Tech)
- Voice Assistant (Manya) — Python (B.Tech)
- Chatbot (In Progress) (B.Tech)
- Pothole & Road Damage Detection (Planned) (B.Tech)

Internship

Summer Intern – Teerthanker Mahaveer University (Jul 2023 – Aug 2023)

- Developed an E-Exam application using Java, SQL, AWT, Swing.
- Collaborated with faculty and peers to design, implement, and test.
- Strengthened Java, DB integration, and UI design skills.

Leadership & Campus Activities

Class Representative (Diploma CSE)

- Acted as a bridge between students and faculty for academic and administrative matters.
- Organized and facilitated participation in academic & co-curricular events.
- Built strong faculty connections and improved peer collaboration.

Achievements & Activities

- Smart India Hackathon 2025 – National level participant.
- Project-based learning across web, AI, and game development.
- Exploring Generative AI – working on innovative project ideas.
- Volunteering – Lifelong volunteer at All World Gayatri Pariwar (Shantikunj). Engaged in yagya, sadhna, samay daan, and community service.

Languages

- Hindi – Native / Fluent || English – Proficient (academic & professional communication)
